**Airplaco Equipment Company Announces New Vice President of Sales**

Cincinnati, Ohio USA - Airplaco Equipment Company ([www.airplaco.com](http://www.airplaco.com)) is pleased to announce the promotion of Ken Segerberg to Vice President of Sales.

Ken has been with Airplaco for over ten years as Director of Sales and during his time has been a critical contributor to the continued growth and success of Airplaco. Under his leadership, the Airplaco Sale's Team continues to deliver a superior customer experience by focusing on customer training, technical support and overall customer service.

Airplaco is an American manufacturer of construction equipment used in various applications throughout the world. Airplaco offers masonry grout pumps, gunite and shotcrete machines, concrete leveling pumps and void fill pumps as well as all of the parts, accessories and finishing tools needed for any job. For over sixty years Airplaco has built a reputation for quality equipment and superior customer service. We stand behind our equipment and are committed to understanding the demands of our customers.

More information about Airplaco's equipment can be viewed at our website, [www.airplaco.com](http://www.airplaco.com).
