Mesa Engineered Tank Products Announces New Vice President of Sales

Cincinnati, OH - Mesa Engineered Tank Products (<http://www.mesaetp.com>), a worldwide manufacturer of Aboveground Storage Tank Products, is proud to announce the promotion of David Schafer to Vice President of Sales.

David has been with Mesa ETP for over ten years as the Director of Sales, and brings decades of industry experience to his sales team and the company. During his time with Mesa ETP, David has played a critical role in the growth of the organization and has helped drive international growth and development.

Mesa ETP is a leading manufacturer of engineered products for refineries, terminals and storage tank facilities with over forty years' of experience delivering quality, American made products. Mesa ETP is a division of Mesa Industries, a certified women-owned business through the Women's Business Enterprise National Council (WBENC) with headquarters in Cincinnati, OH and additional offices in Houston, TX and Monrovia, CA. More information about Mesa Engineered Tank Products can be viewed at our website, www.mesaetp.com.
