### **Mesa Engineered Tank Products Furthers International Expansion**

Cincinnati, Ohio USA – Mesa Engineered Tank Products ([www.mesaetp.com](http://www.mesaetp.com)) has established a partnership with Ecotech Emirates ([www.ecotecemirates.com](http://www.ecotecemirates.com)) to represent Mesa ETP products throughout the UAE and the Middle East. Mr. Pratish Thomas will serve the role as independent sales representative from Ecotech’s office in UAE. Mr. Pratish has over ten years of experience in distribution of industrial products for various applications.

“We are confident that Ecotech will be a vigilant partner for Mesa ETP in the region,” said David Schafer, V.P. of Sales. “They have a significant understanding of the market, the industry and our products; we will work closely with Ecotech to ensure the Mesa ETP brand and engineered products have continued success throughout the gulf countries.”

Mesa ETP is a leading manufacturer of engineered products for refineries, terminals and storage tank facilities with over forty years’ of experience delivering quality, American made products. Mesa ETP is a division of Mesa Industries, a certified women-owned business through the Women’s Business Enterprise National Council (WBENC) with headquarters in Cincinnati, OH and additional offices in Houston, TX and Monrovia, CA. More information about Mesa Engineered Tank Products can be found at our website, [www.mesaetp.com](http://www.mesaetp.com).
